Dear Kaimuki High School Foundation,

Thank you for awarding the News writing program this school year with funds to help with printing of the school newspaper. With the tight budget this past year, the help provided by the Foundation has been and will be a much needed blessing for our program. The grant awarded to our program will help to pay for the printing we'll do this school year.

Moreover, the Foundation's support was more than financial. The students are encouraged to know that they are being supported by people outside of our classroom, and I hope this will help them be even more accountable for their work and actions.

Thank you again for your support.

Very truly yours,
