Dear Kaimuki High School Foundation,

Thank you for awarding the yearbook program this school year with funds to help with purchasing additional pages for the school's yearbook. We appreciate your generosity to the school and to our program.

With the increasing costs of production every year and the dearth of financial resources, the help provided by the Foundation has been and will be a much needed blessing for our program. The additional pages we are now able to afford will help to maintain and improve the quality of the school's yearbook.

The students in the yearbook program appreciate the generosity of the foundation and are encouraged by the support.

Thank you.

Very truly yours,
